

## Card Insert Poems for Card Sharing

I didn't sign this card  
before I sent it off to you.  
Instead it holds my warmest  
thoughts, invisible, but true.  
So if you find you need  
to brighten someone's day,  
Then take this card and sign it  
and send it on its way.

Warm wishes for a fabulous day!  
Enjoy this card, then send it away  
To another person picked by you,  
To let them know that you care, too!
